This event provides a unique opportunity for Employers and Job Seekers with disabilities to unite. People with disabilities have an array of skill sets, yet they are part of a hidden and underutilized labor market. Hiring qualified people with disabilities reduces staff shortages and high turnover rates. This results in a positive impact on an employer's bottom line and office culture. In addition, employers who hire individuals with disabilities, may qualify for a Work Opportunity Tax Credit (WOTC).

Our goal is to give organizations and employers, like yourself, an opportunity to display your services to those seeking greater independence and a better quality of life.
